

# MARIN CATHOLIC

## Open House

Sunday, October 23

**80** % of our students are enrolled in visual and performing arts

**100** % of our students are admitted to college

**75** % of our students participate in athletics

**25** % of our students receive tuition assistance

**23** is our average class size

**30,040** hours of Christian Service dedicated to the world by the graduating Class of 2011

**Numbers. Statistics. New Math. Old Math.**  
What is it that counts?

*At Marin Catholic your child is more than just a number. With small class sizes, Honors and AP courses, and a dedicated faculty, we form lasting relationships with our students as they focus on a challenging education.*

*We also work alongside parents to help develop your sons or daughters as leaders in our community and beyond.*

*Numbers can tell part of a story, but at Marin Catholic, it is our students that count.*

*Experience Marin Catholic.*
